

Past Program

New Horizons Dixie Land Band

January 24th, 2022 The New Horizons Dixie Land Band treated the Sandy Springs Rotary Club to a performance of many of their most popular Dixie Land Jazz hits.

Dixieland, sometimes referred to as traditional jazz, is a style of jazz based on the music that developed in New Orleans at the start of the 20th century.

The Atlanta New Horizons Band, founded in April 1999, provides opportunities for adults to play music again after they had been active in school programs and then inactive for a long period. Music playing may also have been interrupted due to professional or other life circumstances. ANHB provides the opportunity for these folks to renew their interest and passion. They perform at a variety of venues such as churches, retirement homes, festivals etc.
